Summary

Third-year **B.Tech. AI & ML** student with hands-on experience in **cybersecurity** and **full-stack development**. Skilled in **React.js**, **FastAPI**, **Python**, and **JWT authentication**, with practical experience building **security-focused applications**.

Education

B.Tech. in Artificial Intelligence & Machine Learning <i>Zeal College of Engineering and Research, Pune</i> Second Year SGPA: 9.11	2025 – Present <i>Third Year</i>
Diploma in Computer Engineering <i>A. Puranmal Lahoti Government Polytechnic, Latur</i>	2021 – 2025 <i>84.69%</i>

Projects

CyberGuardian AI – AI-Powered Cybersecurity Operations Platform 🐙 <i>React.js — FastAPI — Python — SQLAlchemy — JWT — REST API</i> - Developed a full-stack cybersecurity platform for security monitoring, log analysis, incident management, and threat intelligence. - Implemented JWT-based authentication, secure password hashing, protected API endpoints, and user profile management. - Integrated a React.js frontend with a FastAPI backend and SQL-based database architecture.	
Career Predictor Website 🐙 <i>HTML — CSS — JavaScript</i> - Built a website to help students explore career paths based on user input. - Implemented a logic-based system for career recommendations.	

Experience

VisionEdge AI Labs Pvt. Ltd. – Student Intern <i>Development Team, Pune</i>	2 Months <i>15 July – 15 September</i>
- Worked on ANPR and OCR workflows, including dataset cleaning, validation, and quality checking. - Verified vehicle number-plate images and annotations using PlateScan OCR Curator. - Developed UI components for a cybersecurity project and contributed to login authentication and frontend-backend integration. - Troubleshooted backend port conflicts, permission issues, and frontend-backend integration problems using VS Code, Node.js, and npm.	

Technical Skills

Languages: Python, C, C++, JavaScript

Web & Backend: HTML, CSS, React.js, FastAPI, REST APIs, Node.js

Cybersecurity: Linux, Networking, Web Security, JWT Authentication, TryHackMe

Tools: Git, GitHub, VS Code

Certifications

- Introduction to Cybersecurity – Cisco Networking Academy
- Web Development – EduCADD
